1. Students will automatically be enrolled in their alternative course if any of their first choices is unavailable (cancelled due to insufficient enrollment or full). The Registrar reserves the right to move students to a different section (if any) in order to balance course enrollment, or deny course change requests.
2. **All course change requests before the start of the program, must be supported and accompanied by a strong academic reason and will depend on course availability. Changes are not allowed after the start of the program.**
3. Students may attend only the courses listed on their Official Registration form. Auditing is not allowed.
4. No refunds will be issued for classes dropped after the start of the LdM Program.
5. Students are not allowed to change Program and/or Courses after the start of the LdM Program.

REGISTRATION POLICY (Continued)

- Students must retain a minimum of 3 credits in order to be enrolled in this Distance Learning Program. However, it is each student's responsibility to know if his/her home institution requires enrollment for more than 3 credits, especially if relying on financial aid. Students may not withdraw (with a "W" or "W/F") from a course if it would bring them below the minimum number of credits.
- Mid-terms and final exams will be given only on the scheduled days that appear on each course syllabus and will not be moved under any circumstances. More than one exam may be administered on the same day.
- LdM does not offer Pass/Fail grades or Incompletes, only letter grades. All classes registered for and grades received will appear on each student's LdM transcript regardless of their intent to transfer credits to their home institution. Students are responsible for understanding the LdM grading system and their home institution's minimum grade requirement for the transfer of credit. Detailed information about grading/evaluation can be found in the specific course syllabi.
- Students with documented learning disabilities will be subject to local Italian educational standards, and therefore may not be provided with the same accommodations offered by their home institution. However, based on current and official documentation of the disability, LdM will provide assistance to these students. It is each student's responsibility to provide this documentation within the deadline. LdM is able to guarantee the following: online Italian language tutoring and extra time for completion of exams.
- LdM reserves the right to withhold the transcript of students who are involved in serious academic issues and/or whose behavior is considered detrimental towards the institute and other students.
 - The Rules of Conduct applied at this Institute may be different from the rules applied by the student's home college or university.
 - The Lorenzo de' Medici Rules of Conduct must be carefully read by each student. A copy of the Rules of Conduct will be sent via email to each student by their LdM Advisor.
- ORIENTATION is mandatory for all students. The exact details of the Orientation will be shared with students before the start of the program.
- It is the students' responsibility to provide a valid email address in this application where they will receive all the information regarding the program and their courses.
