## REGISTRATION INFORMATION

Please make sure to read all of the Registration Information and consult the most current LdM Academic Catalog and Course Schedule (available online) before completing your course selections.

It is your responsibility to:

- select a program according to the number of Italian language credits desired.
- make sure you conform to the credit requirements of your home institution without exceeding the maximum number of credits allowed.
- **make sure your home institution will grant you credits for courses taken at LdM.** This includes alternative courses and any new courses resulting from placement test/level adjustments. **LdM assumes no responsibility for students who do not receive credits from their home institution for courses taken at LdM.**

Once you arrive at LdM, you will not be allowed to change program/location. Tuition costs vary according to program selection. (See pricing information.) Lab fees, course materials and field trips are not included in the tuition costs.

### SELECTING AN ITALIAN CLASS:

Read the course descriptions carefully when selecting Italian language courses.

Beginning Italian Language Students (who have had no previous Italian) must select an Italian language section and alternative section that fit their schedule.

Non-beginning Students (who have had at least one semester or equivalent of Italian) should choose an Italian language course that is appropriate for their level, by carefully checking the LdM Academic Catalog and Course Schedule for prerequisites. Students are required to provide alternative sections (if applicable) that could fit their schedule in case their first choice is full. At LdM, these students will take a placement test to confirm their level. LdM reserves the right to move students into a different level based on the results of the placement test.

## GENERAL POLICIES

**Admissions** Students must be at least 18 years old by the start of the program. LdM requires students to have upheld good academic and disciplinary standing. Applicants must have completed one year of college/university credit and have a minimum 2.80 cumulative GPA. In order to learn effectively, students are expected to be independent English users with proficiency in listening, speaking, reading, and writing. Students must be in a good medical/psychological condition to succeed in the program.

**Proof of English Proficiency** In order to learn effectively, students are expected to be independent English users with proficiency in listening, speaking, reading, and writing. Non-native English speakers are required to demonstrate that they have reached the high intermediate level in English language skills, with certification or other evidence equivalent to the following minimum overall TOEFL scores: Paper Based Test 550+, Computer Based Test 213+, or Internet Based Test 80+. Please contact LdM Academic Relations + Student Services for additional information and instructions.

### Registration Policies

- 1) **Students will automatically be enrolled in their alternative program/course/section if any first choice is unavailable (whether canceled due to insufficient enrollment or full). The Registrar reserves the right to move students to a different section to balance enrollment, or deny course change requests.**
- 2) **All course change requests, before and after arrival, must be supported and accompanied by a strong academic reason.**
- 3) A level test will be administered at the beginning of Performing Arts and Intermediate/Advanced level Studio Art and Design courses to confirm the students' level. Many of the Studio Art and Design courses list two time blocks. Students enrolled in these courses must attend both time blocks.
- 4) Students may attend only the courses listed on their Official Registration form. Auditing is not allowed.
- 5) Only one class can be changed upon arrival at LdM, depending on course availability. This is only allowed during the first days of classes, before Final Registration. Final Registration deadlines will be announced during Orientation. No exceptions will be made to these deadlines. This is not available for the Two Italies Program, semester certificates, field schools or workshops.
- 6) Students participating in an internship must fulfill the relevant prerequisites. Concurrent enrollment in a course in the same field is required. The application for an LdM internship is due by the application deadline, along with the required supporting documentation (eg. student's resumé, formal letter of intent, two reference letters, portfolio, etc.). Late submission of the supporting documentation can compromise the eligibility for an internship placement. Placement in internships is not guaranteed and choosing an alternate course is mandatory. Students taking an internship must retain a minimum of 15 credits per semester. Internships cannot be added during the add/drop period. Internships have particular attendance regulations.
- 7) No refunds will be issued for classes dropped after arrival at LdM.
- 8) Students are not allowed to change Program or Location after arrival.
- 9) Students must retain full-time status, with a minimum of 12 credits per semester or 3 credits per short term. However, it is each student's responsibility to know if his/her home institution requires enrollment for more than 12 or 3 credits respectively. Furthermore, students relying on financial aid are strongly encouraged to maintain a standard 15 credit minimum during the semester and a 6 credit minimum during short terms. Students may not drop or withdraw (with a "W" or "W/F") from a course if it would bring them below the minimum number of credits. Non-credit offerings are available only in addition to credit-bearing courses.
- 10) Mid-terms and final exams will be given only on the scheduled days that appear on each course syllabus and will not be moved under any circumstances, including illness, travel plans, family matters, etc. Exams are scheduled during normal class times, so more than one exam may be administered on the same day.
- 11) Students are not allowed to make up any assessed in-class activities they may have missed (including, but not limited to, quizzes, tests, etc.) under any circumstances, including illness, travel plans, family matters, etc.
- 12) LdM does not offer Pass/Fail grades or Incompletes, only letter grades. All classes registered for and grades received will appear on each student's LdM transcript regardless of their intent to transfer credits to their home institution. Students are responsible for understanding the LdM grading system and their home institution's minimum grade requirement for the transfer of credit. Detailed information about grading/evaluation can be found in the specific course syllabi.
- 13) Students with documented learning disabilities will be subject to local educational standards, and therefore may not be provided with the same accommodations offered by their home institution. However, based on current and official documentation of the disability, LdM will provide assistance to these students. It is each student's responsibility to provide this documentation within the deadline. LdM is able to guarantee the following: Italian language tutoring, administration of exams in separate classrooms, and extra time for completion of exams. For certain types of learning disabilities, the student may qualify for an exemption from the Italian language class.
- 14) LdM reserves the right to withhold the transcript and/or housing deposit of students who violate contract agreements related to housing and/or academic issues (i.e. any balance or debt incurred) and/or whose behavior is considered detrimental towards the institute and other students.
  - a) The Rules of Conduct applied at this Institute may be different from the rules applied by the student's home college or university.
  - b) The Lorenzo de' Medici Rules of Conduct must be carefully read by each student. A copy of the Rules of Conduct is included in the Orientation Packet given to every student and is also distributed during Orientation at LdM and shown in every building of the Institute.
- 15) It is **ABSOLUTELY REQUIRED** that all students attend **ORIENTATION MEETINGS** (both online and onsite). Students must make sure they plan their travel itinerary accordingly. For the Two Italies Program, all orientations are mandatory (both online and in person at each site). The arrival date listed on the LdM academic calendar must be respected, unless the student's program has arranged an earlier arrival.
- 16) All students must carry a cell phone at all times that receives text messages and phone calls in Italy, and provide the phone number to LdM at Orientation.
- 17) Applicants to the Two Italies or Tuscania program may be asked to provide an alternative site and alternative courses (if applicable), depending on enrollment demand for the selected term.

- Lorenzo de' Medici is committed to ensuring the success and safety of each student during his/her study abroad program in Italy. Services and infrastructure (building access, mobility assistance, academic accommodations, etc.) in Italy may be different from what students are accustomed to in their home country and physical and/or psychological disorders can become serious under the stresses of traveling abroad. LdM requires that all students with a medical/psychological condition that may affect their participation provide a medical waiver from their current physician/s 1) confirming stability for at least one year prior to the start of the Program and 2) stating approval for a study abroad experience. Students are responsible for disclosing all medical/psychological information to LdM that may affect their academic, emotional and psychological well-being at the Program. Failure to disclose medical/psychological conditions may warrant action on behalf of LdM, up to and including denial of admission, admission revocation or expulsion from the Program. In the event that the student's medical/psychological condition or well-being should change prior to the program start date, or during the program, the student will be required to notify LdM promptly. LdM reserves the right to deny admission, impose conditions based on the Program's ability to accommodate the student's particular needs, expel the student, or deny admission for a future academic term. Please note that the Americans with Disabilities Act (ADA) is an American Law and is not applicable to a non American program/country.
- I have read and understand the Registration and Attendance Policies contained herein. I understand that I am responsible for my course selection and that I must consult with my home institution and obtain my advisor's signature below regarding the transfer of credits. I understand that if I submit my application without an advisor signature below, I have no guarantee of the transfer of credits for my coursework at LdM.
- I understand that I have the option to receive either the Lorenzo de' Medici transcript or the Marist College US transcript for my coursework/transfer of credit. If I am seeking transfer of credit, I must confirm the transcript requirement with my home institution according to the guidelines stated in the LdM Transcript Request Form. I may not change the transcript type once classes have begun. Furthermore, Marist College cannot issue a transcript retroactively for me if I originally requested the LdM transcript for my studies.
- I agree by signing this application form that I will abide by the rules and regulations of LdM, as well as applicable governmental laws generally, including LdM Rules of Conduct, Academic Regulations, LdM policies, and United States, Italian and European Union laws.
- I confirm that I have read and understood the LdM admission criteria, as the agreement between LdM and the student will be finalized only in case of the student's admission to the program.
