PROGRAMS AND DEGREES

Academic Semester and Year Abroad programs

LdM offers a variety of study abroad programs of different lengths, ranging from **Semester and Year Programs to Summer Sessions**. Study abroad programs are available at each LdM site (Florence and Tuscania) throughout the academic year.

LdM **Academic Semester and Year Abroad Programs** foster awareness and understanding of not only the course topics, but also of Italian culture. Students customize their courses of study according to their academic needs and personal interests, tailoring interdisciplinary paths of study where creativity meets academic dedication.

Students can also choose to experience local and regional differences within Italy through the LdM one-semester **Two Italies Program**. This dynamic program, which starts in Florence and ends in Tuscania, offers students a diverse and informed approach to the multifaceted aspects of contemporary Italy. It allows them to learn more about cultural differences and the settings in which they find themselves.

LdM Internships* offer students the possibility to learn different aspects of working in Italy, a country known for its artisan and small business structure. Internships are available within the context of semester and year abroad programs for US credit and in combination with academic courses only. LdM arranges internships in various fields of study; from Art History, to Communication, Education, Fashion Design, Interior Design, and Graphic Design. Students taking an internship through LdM must fulfill the relevant prerequisites. Placement opportunities are limited and vary on each campus, consult the course schedule to learn more about Internship opportunities per term.

Short-term Study Abroad Programs at LdM LdM Summer Sessions consist of month-long academic courses during June and July. These programs are well-suited for undergraduate students as well as for independent students seeking a meaningful educational experience. Additional summer programs include the Florence and Central Italy **Conservation Workshops**, the **Archaeological Field School** at the Etruscan necropolises in the surroundings of Tuscania, the **Yoga Wellness Workshop** at LdM Tuscania, and the **Marist-LdM Venice Biennale Program**.

The three-week **January Intersession** at LdM Florence provides the opportunity for undergraduate students as well as independent or adult students to broaden their academic horizon and to deepen their personal experience with an intensive academic program.

US Undergraduate Programs at LdM Florence

International students are able to earn a fully-accredited US undergraduate Bachelor's Degree through LdM's partnership with Marist College.

The following four-year degrees are available: Art History, Italian Language, Digital Media, Fashion Design, Studio Art, Interior Design, Conservation Studies, and Global Marketing Communication.

Certificate Programs

LdM Certificate Programs at LdM Florence integrate a strong theoretical base and practical work within structured plans of study for the pursuit of professional goals.

LdM Semester Certificates give students the opportunity to gather the professional skills and the theoretical underpinnings of their field of choice in a single semester. Semester Certificates include: Visual Communication for Fashion, Fashion Sustainability, Interior Design in Contemporary Living, Product Design towards Sustainability, Architecture in Urban Context, Italian Gastronomy, and Balance in Nutrition.

LdM One-year and Professional/Advanced Certificate Programs are designed to develop students' creativity, artistic talent, and technical skills, and to prepare them to enter the relevant marketplace. LdM offers one- and two-year Certificates in the following disciplines: Fashion Design, Fashion Marketing and Merchandising, Graphic Design and Visual Communication, Jewelry Design, Interior Design, Restoration and Conservation, and Fine Arts.

Istituto Lorenzo de' Medici is now offering a **Summer Certificate Program** carefully designed to meet increasing demand for on-site educational opportunities that emphasize career readiness within structured yet flexible plans of short-term study. Students can choose from five options that address specific and relevant themes: Wine Business; Creativity; Sustainability; Branding).

****Within the context of the COVID-19 pandemic, LdM's ability to offer internships that comply with government measures, protect student health and safety, and provide quality, credit-bearing academic internships and non-credit professional opportunities is significantly impaired. Please consult the LdM Course Schedule (per site/session) for available opportunities.***
