

TWO ITALIES: SPRING 2023

Florence and Tuscania

With the **Two Italies Program**, students embark on an intercultural journey exploring different aspects of the Italian culture and lifestyle. The program starts in **cosmopolitan Florence**, a city of art, design, and fashion. It then continues to **Tuscania, a picturesque hill-top town** in northern Lazio, located right between Florence and Rome, the Italian Capital, in one of the country's most authentic and unspoiled areas, also noted for its Etruscan necropolises.

The curriculum is a celebration of all things Italian, from the country's **ancient history**, to its excellence in the area of **eno-gastronomy**, approached from a Business and Marketing viewpoint. At the same time, Two Italies engages students with a reflection upon **contemporary and eternal issues**, such as **the pursuit of happiness** in challenging times, and the importance of **sustainable practices** in today's food production and supply. An exploration of the **Italian Language** ties together the students' experience through two of the most fascinating regions of our country; In Florence (Tuscany region), they get the Italian Language basics necessary to start navigating Italian everyday life. In Tuscania (Lazio region), students immerse themselves in the welcoming environment of the countryside for an authentic Italian-style experience, getting the chance to engage in daily conversation with locals and to discover the natural beauty of the surroundings.

This dynamic program offers students a diverse and informed approach to the multifaceted aspects of contemporary Italy. It allows them to learn more about cultural differences and the settings in which they find themselves. Students spend over a month in Florence and then move to Tuscania, where they'll enjoy the beauty of the Italian spring, taking a total of **five 3-credit classes**. Students will be closely supported by LdM's expert and experienced team of advisors, support staff, and faculty at each of these locations.

*COURSES ARE TAUGHT IN ENGLISH
except for the Exploring Italy Through Language and Culture course*
